+6282213649196 | fahridarmawan.dev@gmail.com | <https://www.linkedin.com/in/fahridarmawan/> | <https://www.fahridarmawan.dev/>

I am a Full Stack Developer skilled in web and application development using HTML, CSS, JavaScript, and PHP. I specialize in Laravel for both back-end and front-end development, with additional experience in API integration and WordPress customization. I also have a strong interest in Artificial Intelligence and its applications in web development. I am passionate about learning, problem-solving, and contributing to teams that value innovation and creative digital solutions.
